# Current COVID-19

Italy and Spain's daily death tolls are plateauing, but in the UK and US every day brings more new deaths than the last

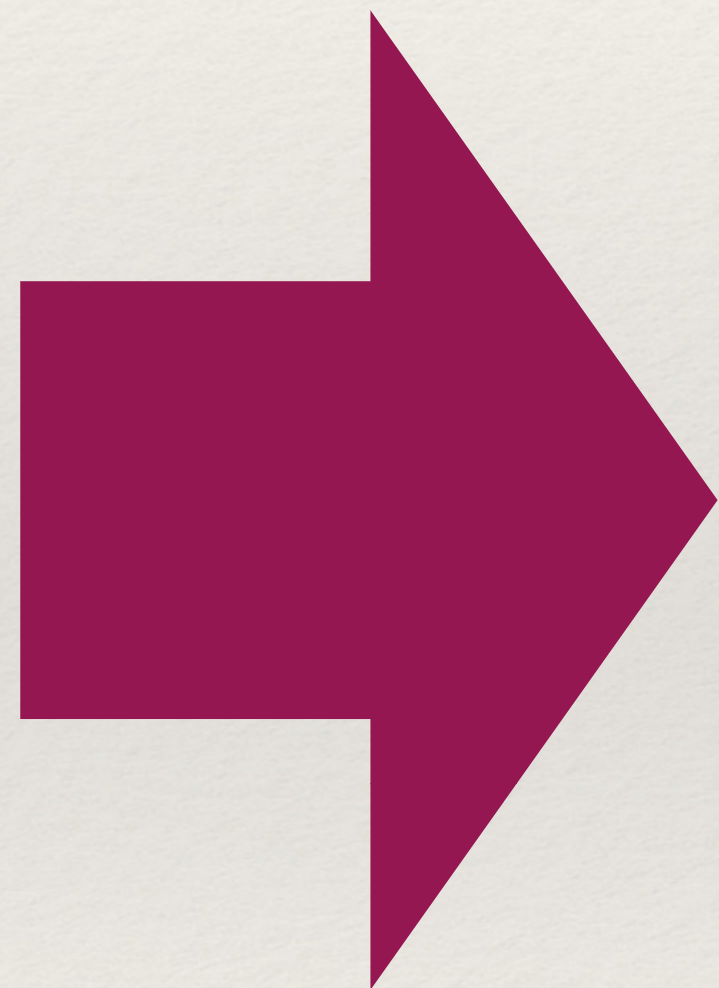

Daily deaths with coronavirus (7-day rolling average), by number of days since 3 daily deaths first recorded  
Stars represent national lockdowns ★

## COVID-19 Kaggle community contributions

COVID-19 data, tools and findings from the Kaggle community

---

Last update: 2020-04-02 5:13pm UTC

FEEDBACK

The goal of this page is to bring together the most useful contributions from the Kaggle community's **COVID-19 work** into a single place. It is organized into **literature review**, **tools** and **datasets**.

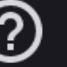

### Literature Review

# Element.ai based on CORD Database
